## Presentation:

### 1. Connect the word with the picture.

shop

cinema

school

hospital

**2. Read the text. Where is Sandeep going? Write numbers next to the buildings on the map.**

Sandeep will wake up early tomorrow, and go to the hospital where his mom works. The hospital is in the center of the city. He will go up the street, and turn left. Then, he will go to the shop which is down the street, to the right. He will buy a chocolate for his little brother. Then he will go back and turn right and take his brother from school.

**3. Mark the statements T for true, and F for false.**

1. Sandeep's mother will take him to the cinema.
2. There is a swimming pool next to the school.
3. Sandeep will go up the street and turn left to go to the hospital.

## Grammar Box:

When we give directions, **we do not use a subject!**

- |           |                          |
|-----------|--------------------------|
| • Goleft! | • <del>You</del> goleft! |
